## 2021 Gewürztraminer Anderson Valley

### Winemaker Notes:

Anderson Valley's cool climate is the perfect place for growing this classic Alsace variety. Sourced from a combination of our Lula Vineyard estate and another Anderson Valley vineyard, the wine's appearance is light with lifted floral aromas. Citrus and stone fruits give way to a palate offering a lovely balanced persistence and sweetness.

### Vineyards:

The 15-acre Lula Vineyard located in the "Deep End" of the famed Anderson Valley is in a cool, marine influenced region that is celebrated for its world-class wines. Our estate grapes have been combined with Gewürztraminer grapes from a vineyard just south of Highway 128 near Boonville. This vineyard has a south facing slope and decompressed sandstone and clay soil with three to four feet of topsoil.

### 2021 Harvest:

Following light rains over the winter and spring, the 2021 growing season was unusually dry. In response, we proactively managed the vineyard by reducing the crop load and therefore balance the vines. The resulting wines are surprisingly delicate, focused and generous.

### Winemaking:

During the making of this wine, every consideration was taken to preserving its delicacy and finesse. Hand harvested, whole bunch pressed and then fermented in small stainless-steel barrels. Post fermentation it remained on lees for several months and was stirred regularly to enhance freshness and texture. After a light filtration, the wine was bottled.
