2022 Peterson Vineyard Pinot Noir

Winemaker Notes:

Located in the revered "Deep End" of the Anderson Valley, Lula Cellars is a boutique winery passionately crafting distinct wines of great pleasure from our Estate and select local vineyards. For many years we have been producing this award-winning single vineyard Pinot Noir wine. Produced from 3 different clones, the wine exhibits a bright purple color, vibrant aromas, and flavors of violets, cherries and wild berries. The palate is focused with lovely intensity and persistence from start to finish. Enjoy now through 2030.

Vineyard:

Planted in 1999, the Peterson Vineyard is a hidden jewel located in the mountain town of Comptche. Situated eight miles east of the coastal village of Mendocino at 700 feet above sea level, the vineyard's close proximity to the coast has a dramatic cooling effect that promotes slow, even ripening. The wine is produced from clones 667 and 115 with a touch of 777 off this vineyard.

2022 Harvest:

The 2022 vintage had high climate variability beginning with a cool and mild spring followed by a warm summer that led to an early harvest. Grape quality was exceptional with balanced acidity and freshness, resulting in vibrant fruit-forward wines.

Winemaking:

The grapes were hand harvested at night to ensure delicate handling and vibrant fruit flavors. Upon arrival at the winery, the grapes were gently sorted, destemmed and then transferred to open top fermenter. After 2 days of cold soak at 50°F the grapes were inoculated with yeast to begin fermentation. Throughout fermentation the grapes were hand plunged to extract all of the richness of the grapes. Upon completion of the fermentation, the finished wine was left to macerate for another 10 to 15 days with the grape skins to build mouth feel and complexity. The finished wine was then gently basket pressed to 3-year seasoned fine-grained new and used French oak barrels where the wine spent the next 10 months. Prior to bottling the wine was lightly fined and filtered.
