## 2022 Gewürztraminer Anderson Valley

### Winemaker Notes:

Anderson Valley's cool climate is the perfect place for growing this classic Alsace variety. Blended from a combination of our Lula Vineyard estate and another Anderson Valley vineyard, the wine's appearance is light with lifted floral aromas. Citrus and stone fruits give way to a palate offering a lovely balanced persistence and sweetness.

### Vineyards:

The 15-acre Lula Vineyard located in the "Deep End" of the famed Anderson Valley is in a cool, marine influenced region that is celebrated for its world-class wines. Our estate grapes have been combined with Gewürztraminer grapes from a vineyard just south of Highway 128 near Boonville. This vineyard has a south facing slope and decompressed sandstone and clay soil with three to four feet of topsoil.

### 2022 Harvest:

The 2022 vintage had high climate variability beginning with a cool and mild spring followed by a warm summer that led to an early harvest. Grape quality was still exceptional with balanced acidity and freshness, resulting in vibrant fruit-forward wines.

### Winemaking:

During the making of this wine, every consideration was taken to preserving its delicacy and finesse. Hand harvested, whole bunch pressed and then fermented in small stainless-steel barrels. Post fermentation it remained on lees for several months and was stirred regularly to enhance freshness and texture. After a light filtration, the wine was bottled.
