

2024 Sauvignon Blanc Pine Mountain - Cloverdale Peak

Winemaker Notes:

Located in the revered 'Deep End' of the Anderson Valley, Lula is a boutique winery passionately crafting distinct wines of great pleasure from our Estate and select local vineyards. Pine Mountain Vineyard's 2,400 ft elevation, pristine growing conditions, and dedication in the vineyard drive the style of this refreshing Sauvignon Blanc. Winemaking focuses on highlighting the delicate grassy, citrus, and stone fruit aromas and flavors through the use of whole bunch pressing, cool fermentation, and sur lie aging in stainless steel barrels. Perfect as an aperitif or paired with your favorite summer salads and seafood.

Vineyard:

The grapes were sourced from the Pine Mountain Vineyard located in the newly established Pine Mountain - Cloverdale Peak AVA. Grown at a high elevation (2,400 ft) on steep south-facing rich red volcanic soils.

2024 Harvest:

The 2024 growing season is characterized by exceptional quality, mainly due to the steady ripening flow, facilitated by the warmer growing season. We harvested the Sauvignon grapes about three weeks earlier than in 2023 to preserve the grapes integrity and natural acidity. The 2024 vintage Lula Cellars Sauvignon Blanc is a rich yet vibrant white wine, showing aromatic intensity and freshness, along with beautiful citrus and stone fruit notes.

Winemaking:

During the making of this wine, every consideration was taken to preserving its delicacy and finesse. Hand harvested, whole bunch pressed and then fermented in small stainless-steel barrels. This process ensures the final wine retains its freshness and bright, natural acidity. Post fermentation it remained on lees for several months and was stirred regularly to enhance freshness and texture. After a light filtration, the wine was bottled.
